

## UNIVERSAL MANIFESTING RITUAL

“A sunbeam to warm you, a moonbeam to charm you, a sheltering Angel so nothing can harm you. Laughter to cheer you. Faithful friends near you. And whenever you pray, Heaven to hear you.”

~ *Irish Blessing*

Our purpose here is to align with a powerful flow of Love and Light consciously connecting us with Father God above, the truth within our heart, and our loving Mother Earth below. This alignment is our greatest empowerment. Mother Earth moves upward as she nurtures and supports us in all ways. Father God moves downward with direction, insight and projection of our truth into the world. We set a cauldron or a candle in the center of our circle. We each make a manifesting list to be consumed and released to the universe!

**GROUP INVOCATION** - We call ourselves to center and to ground into perfect alignment with the Divine White Light of the Dalai Llama, Christ Holy Spirit, and empowerment with Mother Earth.

From the Native American tradition, we honor the four Sacred elements of air, fire, water, and earth and give thanks for creating a Sacred space. We align with the descending Light from Father Sky; the ascending Light from Earth Mother, and Spirit flowing from deep within our heart expressing the “great mystery”. We acknowledge their presence. We call to Red Cloud and White Eagle for assistance and invoke the 102 Sacred Lakota energies and give thanks from our heart.

We invoke the Archangels, Ascended Masters and the Violet Transmuting Flame, along with the Hebrew wisdom and levels for creating; Emanation, Creation, Formation and Action. This is the “Tree of Life”.

We also call ourselves into alignment with the Hermes descending levels of creation; God is everywhere and is our Highest Source. Highest Source contains the level of Aeon within, Aeon contains Mind, Mind contains the level of Cosmos, Cosmos contains Universe, and Universe contains our Planetary System with all the energies for life within. We give thanks for the blessings on all levels!

We call heaven and earth into union of purpose. We unite with the greater purpose of our teachers, guides, angels, and the ascended masters; all for our highest expression on all levels. We call forth the mighty forces of Love and Light for support, clarity and understanding. We give thanks from our heart!

**VISUALIZATION** - We visualize a brilliant vortex of Violet Light coming down from the heavens, through the center of our prayer circle, and anchoring below us; bringing Light into our Sacred Space and taking negativity away.

**GRATITUDE** - I am in gratitude for Spirit working through my life. I live with purpose and see my support and gifts coming to me as a natural extension of my life. As I focus on the positive workings of Spirit, my life expands even more. I understand the higher purposes for manifesting and accept support. I am healthy, happy and prosperous. I have inner peace and fulfillment in relationships. My heart is open.

**BURNING CEREMONY** (one at a time), - I dedicate myself to the highest expression of my being. I accept abundance and prosperity. I know everything I need comes to me in perfect time, space, and sequence. I am making changes in my life effortlessly. I go forth with enthusiasm, excitement and expectancy. I AM ..... !
